I was
never

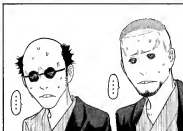

apologies, but
there is no way
someone like
me who led a
life of bullied
child can do
something
presumptuous
as helping
others from
being bullied

it was
expected,
for noone
wants to get
into a fight
so it's normal
for them to
avoid those
kinds of
situations

I don't
know
how I
should
be
helping
these
two

in the
first
place

what are
you expecting
from a lowlife
animal who's
on the side of
being preyed
like me?

aah
please
stop
giving
me that
look with
those
puppy
eyes

from the day
of my birth,
I have never
in my life tried
to save another
human being
on my own
before!

I told
you it's
really
impos-
sible!

I've never
received a
helping hand
so I don't
know how to
give one!

and
also I
have
never
been
saved
either

the
only one
who can
forgive
them

is
me

ah... it's almost time, sensei

y.. you are right hohoho very ho

old maid never ends

n.. no I don't think

wouldn't this game supposed to be like that?

ahhh! the old maid again!

how many times did it go around already?

field trips are fun

I'm kind of sad about it ending

I wonder if this is what they call springtime of life

yeah, really
